**An institute providing workshops, Classes and supply on demand of Fine Arts, Glass Works and Traditional Paintings.**

## About Us

We believe that art and painting are the depiction of intensity while their color and mood are their quintessence. Being driven by this thought, we bring forth an enticing collection of miscellaneous paintings such as **Tanjore Painting, Oil Painting, Calligraphy Painting, madhu bani painting, pot painting** etc. Apart from these, our art gallery also showcases **glass work & craft work, art classes in indore, art and craft classes in indore.** To execute all our endeavors, we have a team of expert professionals and artists. Due to their constant efforts, we have been able to get recognition within such a short span of time. In order to attain superior finish and perfection in the color combination, we ensure that all products are made using fine & quality material on surfaces like wood, glass, mirror, canvas and sheets. Owing to their depiction of magnificent colors and moods of the art form drawn over any canvas, our paintings have earned accolades from our clients. In addition to these paintings, we also offer **Hobby Painting Classes & workshops** to the art lovers.
